## Health Insurance Coverage For County Employees Provided By Humana

The Coffee County Commission met in the Enterprise Courthouse Monday, November 13th, with the meeting beginning at 9:00 a.m. All Commissioners were in attendance.

Under the heading of old business, the following matters were resolved or addressed by the Commission.

\*\*\* The bid in the amount of \$98,328 for a bulldozer was awarded to Thompson Tractor Co., of Dothan, Ala.

\*\*\* Humana was awarded the contract to provide health insurance for county employees in the coming year.

\*\*\* Ozark Striping of Ozark, Ala. was awarded the contract for the striping of county roads. The total bid price was \$15,936.

\*\*\* Heath Oil of Enterprise was awarded the contract to provide on-road diesel fuel to the county. Bid price was .7175 per gallon.

\*\*\* Cross Equipment Co., of Albany Ga. was awarded the bid for a herbicide sprayer to be mounted on a county vehicle. The cost of the sprayer is \$13,695.

\*\*\* Bids were opened on a tractor-truck to pull a gravel dump trailer, but no award was made. A motion was made and second by Commissioners Faulk and Averett respectively to table and allow the County Engineer time to review the bids. The bid is to be awarded at the next meeting.

\*\*\* The contract for crush stone was awarded to Vulcan Materials of Birmingham, Ala. for Type #78 @ \$10.90 and Class II @ \$12.90. For Types #5 & #6 @ \$10.95, the contract was awarded to Dravo Base Materials of Birmingham, Ala.

\*\*\* Awarded the bid in the amount of \$54,337 for office furniture to Alabama Business Furnishings of Birmingham, Ala. The furniture is to be placed in the new Health Building.

\*\*\* Bids for the telephone system to be installed in the Health Building were received from GTE and Digital Corp. The award will be made at the next meeting after the health officials review each bid.

\*\*\* The bid date for medical equipment to be placed in the

health facility was extended.

New business to come before the Commission began with Chris Goodwin and Ray Boyd. They requested the paving or at least the improving of the dirt road connecting College Street extension to Highway 134.

County Engineer Poole stated that funds were not available at the present time for paving any roads.

After much discussion, the Commission agreed to do everything possible to maintain the road in question. It was also proposed by the Commission to do as much preliminary preparation as possible for paving the road. This would include acquiring right-of-way deeds from landowners along the road.

Mr. Goodwin and Mr. Boyd expressed their appreciation to the Commission and said they were willing to assist them in any way possible in resolving this road problem.

The Commission was joined by Paul Dykes in proclaiming November 17-23 to be National Farm City Week in Coffee County. A proclamation was signed by the Commissioners praising the strides made in recent years toward improving the farm and city relationship.

Bill Stokes appeared before the Commission on the behalf of three Coffee County Sheriff's Deputies regarding their request for overtime pay. The amount of overtime involved is 1,925 hours total worked during the years 1982, 83, 85, 86, & 87.

The Commission agreed to a resolution to abide by the decision of the Federal Labor Relations Board in this matter. Both parties agreed to not wanting to carry this matter to court.

Dale Ellis appeared before the Commission once again expressing concern about his road problem in southeast Coffee County. The discussion between Ellis and the commissioners quickly deteriorated when it began involving several matters and not just the road.

At one point, county records, voter registration, road closing, and personalities were all being discussed at one time.

## Elba Woman Injured In Burglary - Robbery

The Elba Police reported that an elderly woman received minor injuries in a burglary-robbery occurred at her home Thursday evening.

Mrs. Mae Bryan, who lives on Claxton Avenue, called the police at 9:52 p.m.

Police discovered that an unknown black male had broken into

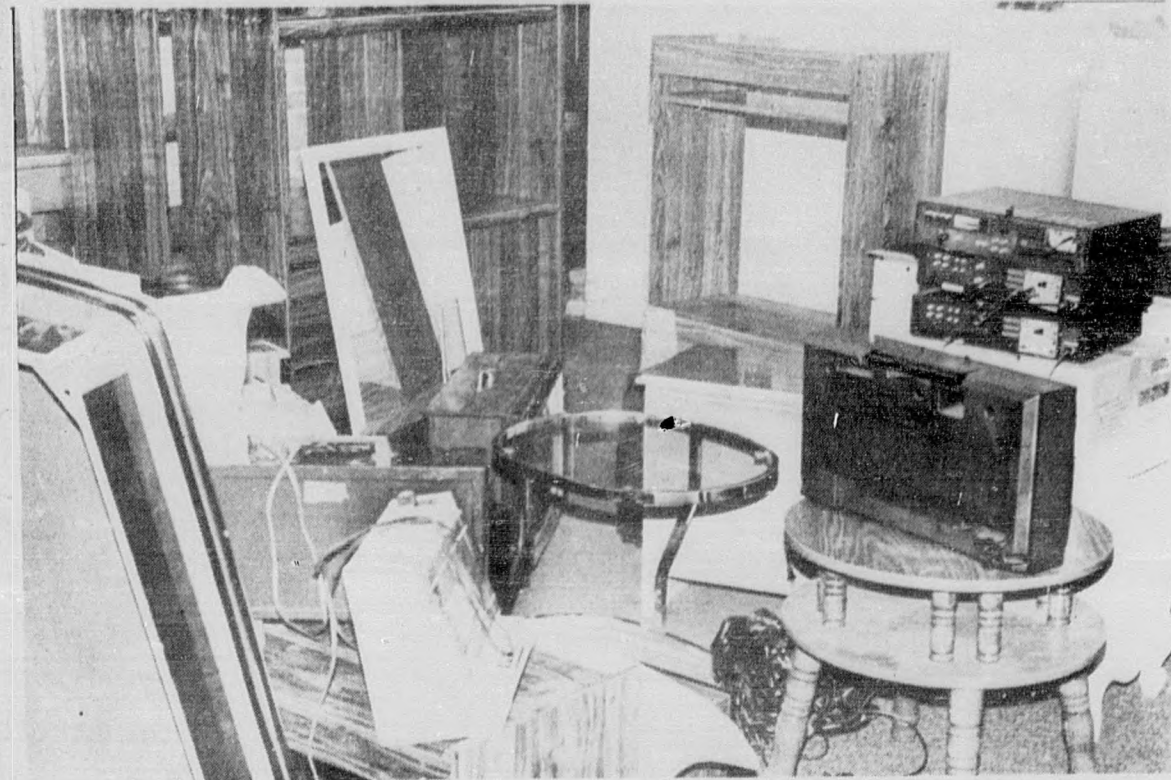

Mrs. Bryan's home through a rear door. The man demanded money and an undetermined amount was taken.

The suspect reportedly fled on foot unnoticed by neighbors.

There is a \$1,000 reward being offered for information leading to the arrest and conviction of the person or persons involved.

The robbery is being investigated by the Elba Police Department, the Coffee County Sheriff's Department, and the Department of Forensic Science.

Anyone having any knowledge concerning this incident should call 897-2555 or Crime Stoppers at 897-3881.

## Stolen Property Valuing \$7,000 Recovered

The Elba Police Department in cooperation with Capt. Billy Treadaway of the Andalusia Department of Public Safety, and Chief Deputy Buddy Ammons of the Coffee County Sheriff's Department recovered approximately \$7,000 worth in stolen goods.

Recovery of the items was a result of several days of investigation into the burglaries of two businesses in Andalusia and two residential burglaries in Elba.

The property included several televisions, VCR's, entertainment

centers, heaters, a microwave and numerous pieces of furniture. Arrested in connection with the thefts was Raymond McDonald, a black male, age 40, of Burch's Ct. in Elba. Other arrest are expected in the cases.

## Heart Fund Drive Is Successful

ANNUAL TURKEY WALK for the benefit of the American Heart Fund was held last Saturday morning with headquarters at the First Assembly of God Church on Highland Drive. The three mile walk by participants began at the church and was along Forest Lake Drive. Above is the scene as participants signed up, turned in their money. They received a "Turkey Walk" Tee Shirt for participating and a free turkey if they turned in over \$50.00 in donations collected from friends and family.

No final tabulation of funds collected has been released at press time, however last year the local Elba unit held one of the most successful fund drives in the State of Alabama.

## Elba City Council Awards City Employees The Day After Thanksgiving As A Holiday

The Elba City Council handled a light agenda Monday evening, with payment of the monthly bills and approving a holiday for city employees. This will be on a yearly basis, in other words it must be approved by the council each year to be official.

City employees have been getting the day unofficially for several years. However last year when the council added Martin Luther King's birthday as an official holiday, they announced the elimination of the long weekend for Thanksgiving, but noted they would consider the matter again later.

Councilman Bill Brunson noted he felt the present nine paid holidays were in line with public and private business and was enough.

The vote approving the additional holiday was 3-2 with Brunson and Bedsole opposing.

Cost to the taxpayers of the extra holiday was estimated by one council member to be about \$2,000.

Payment of bills totaling \$12,224.99 was approved with little discussion. Mayor Fred Moore told those council members who had not already reviewed the bills that the largest was a bill for gas and oil totaling \$6120. Next was payment of concrete used in curbing Ann Street at a cost of \$777.

Moore informed council members that the worst damage during the big rains of the past week was at Beaver Dam Creek and Putnam Street. He noted the water was undermining the 24 inch pipes under the street and the street was presently closed for repairs. A new 60

inch pipe has been purchased and installation was scheduled to begin on Tuesday, if the weather permitted.

The firm leasing the Elba hydro facility has been given a deadline of this week for submitting a written plan of exactly how and when they plan to proceed with the project, according to Moore.

The Christmas lights are being installed and are scheduled for turning on on Friday, December 1st.

The closing of the deal on the Gunter-Dunn building is ready as soon as proof of liability insurance is furnished.

Police Chief Freddie Hanchey was absent and Moore explained he had been excused due to work involved with the breaking of a burglary ring operating out of Elba.

PUTNAM STREET is closed for repairs, yet a number of people have been removing the barriers and continuing to drive through, according to Mayor Fred Moore. Monday city crews were seen locking cables across the highway to prevent automobiles from crossing and possibly crashing through when the undermined highway caves in with them.

Moore explained that Beaver Dam Creek and drainage water was leaking under the 24 inch pipes under the highway and the amount of washing out was unknown. Therefore as a safety precaution, the road would be closed the rest of the week or until a new pipe could be installed.

## ELBA POLICE REPORT

Police activity for the week beginning Tuesday, Nov. 7, included the investigation of the following incidents: one robbery, four thefts of property, two assaults, two harassments, and one leaving the scene of an accident.

The following arrests were made: one DUI, one suspended driver's license, one public intoxication, one speeding one expired tag, one harassment, and two no driver's license.

TUESDAY, NOV. 7  
Power outage (2:08 a.m.); Na-

tional Guard Armory alarm (2:22 a.m.)

WEDNESDAY, NOV. 8  
Flash flood watch (5:45 a.m.); Tornado watch (6:20 a.m.); Wreck on 87 S. (6:40 a.m.); Wreck on Mulberry His. (4:49 p.m.)

THURSDAY, NOV. 9  
Wreck on Farris St. (2:55 p.m.); Alarm at National Guard Armory (4:27 p.m.); Alarm at Jewel Box (5:39 p.m.); Robbery at residence on Claxton Ave. (9:56 p.m.)

FRIDAY, NOV. 10  
Rescue run to Smith Ave. (5:35 a.m.); Burglary on 84 E. (7:54 a.m.); Wreck on Claxton Ave. (7:59 a.m.); Wreck on 87 N. (1:43 p.m.); Rescue run to 87 N. (1:44 p.m.)

SATURDAY, NOV. 11  
Rescue run to Highland Dr. (7:13 a.m.); Routine Activity.

SUNDAY, NOV. 12  
Routine activity.

MONDAY, NOV. 13  
Routine activity

GOING AWAY PARTY!! Steve Carney, Mail Carrier on Rural Route 5, was surprised by his fellow postal workers Friday morning, Nov. 3, with a party. Steve has been with the Elba Post Office for the past 18 months. He will be going to work with the post office in neighboring Opp. Pictured with Steve (Right foreground) are Bill Bullard, Postmaster, and fellow postal workers in background.

## WE GET LETTERS

Dear Editor:  
The Coffee County Arts Alliance is pleased to announce that its 1989-90 concert series will premiere with a performance of the Alabama Symphony Orchestra at 7:30 p.m. on November 21 at the Enterprise High School auditorium. The ASO is the official orchestra of the state of Alabama and this will be their fourth consecutive year that CCAA has presented the 81 member ensemble to county audiences.

Of special interest to local residents is the nationally-acclaimed Poetry Alive! performance and seminar to be held March 1-2, 1990, at the Elba Middle School. This talented ensemble of professional artists will present live dramatizations of poetry and a follow-up classroom seminar when students will be encouraged to compose their own poems.

Now is the appropriate time for supporters of the arts to renew subscriptions to the series which will also include performances by Three On A String on January 20, 1990, and the Montgomery Ballet on March 30, 1990, both at the Enterprise High School auditorium.

Negotiations are currently underway for the 1990-91 performing arts series. Elba Board members, Jane Brunson, Elizabeth Murdock, and Melanie Roberson, requested assurance that one performance be slated for Elba in 1990-91 and the Board unanimously agreed to pursue this objective.

The performing arts selections committee must deal with the limited funds imposed upon CCAA by budget, artists' availability, number of subscriptions, special stage and concert hall requirements which vary from artist to artist (i.e., size of stage, amount of seating, lighting board, sound systems, backstage amenities such as dressing rooms and rest rooms, etc.), as well as community scheduling conflicts.

However, the committee believes it can obtain a quality artist able to perform in a Elba facility which will also be appealing to the local audience.

CCA invites all Elba residents to share the enjoyment and edification of its current concert series as they have done during the past 15 years of its existence.

Sincerely,  
Lynda L. Collier  
President

Dear Editor:

On the morning of October 27, 1989, at approximately 8:15 a.m., the Police Department received a report of an accident involving a bus and an El Camino, one of which struck a utility pole. When the calls were made for response from the police department, fire department and electrical department, the thoughts of how tragic this accident could be raced through the minds of many. Upon arrival it was discovered that twelve people were involved but there were apparently no life threatening injuries. All passengers were transported to Elba General Hospital where they were treated for their injuries.

Mr. Cox, as Mayor of the City of Elba, I would like to commend the Police Department, Fire Department, Electrical Department, Rescue Squad and the staff at Elba General Hospital for their immediate response and efficiency in taking care of the victims. Further, I would like to personally thank Mrs. Kathy Boxman, Mr. Greg Brunson, and Mr. Billy Oggs for their assistance. I am proud to be a part of a community that has such caring people who give so unselfishly of themselves in a time of need.

Sincerely Yours,  
Fred W. Moore  
Mayor

## OBITUARIES

**JIMMIE EDWARD TICE**  
Jimmie Edward Tice, age 66, of Elba died Friday, November 10, 1989 at Flowers Hospital in Dothan.

Funeral services were held at 11:00 a.m., Monday, November 13, 1989 at Hayes Funeral Home Chapel with Rev. David Richburg officiating. Burial followed in the Evergreen Cemetery with Hayes Funeral Home directing.

Survivors include his wife - Joannette Tice, of Elba, AL; four daughters - Carla Bowden, Elba, AL; Linda Randolph, Miami, FL; four brothers - Gerald Tice, Jerry Tice, both of Geneva, AL; Tommy Tice, Coffee Springs, AL; Dale Tice, Elba, AL; four sisters - Robbie Wilson, Las Vegas, NV; Irene Lister, Savannah, IL; Pauline Pettit, Santa Barbara, CA; Jane Materna, Montgomery, AL; three grandchildren - Daniel Bowden, Perry Randolph, both of Elba, AL; and Kim Randolph, Miami, FL.

CCA invites all Elba residents to share the enjoyment and edification of its current concert series as they have done during the past 15 years of its existence.

## South Alabama Electric Holds Annual Meeting

A record-breaking 1,000 residents from a three-county area gathered at the Pike County Fairgrounds on Tuesday, October 31, as South Alabama Electric Cooperative held its 1989 Annual Membership Meeting.

During the meeting, Robert Barbaree and James R. Shaver were re-elected as the trustees from ASEC Districts 1 and 2, respectively, by the meeting's 601 registered cooperative members.

Barbaree, a native of Brundidge, is employed as the operations manager of the Brundidge Gold Kist Farmers Mutual Exchange. A member of the Alabama Farm Bureau and Alabama Cattlemen's Association, he is presently vice president of the ASEC board of trustees.

Entertainment for the meeting was provided by The Lewis Family of Lincolnton, GA.

Shaver, a Goshen native, is a member of the Goshen Lion's Club Farming peanuts, corn, soybeans in his hometown, he also raises hogs and cattle.

Headquartered in Troy, the member-owned cooperative historically holds its yearly membership meeting on the last Tuesday in each October to allow cooperative members to conduct the election of trustees and other business.

## Accidental Discovery May End Obesity

Suppresses calorie absorption

SWEDEN—Medical researchers at the University of Kuopio, in Finland, have discovered (accidentally) a new weight-loss formula. The new discovery appears to enable an overweight individual to lose pounds and fatty tissue without conventional dieting or exercise.

Scientists made the discovery while searching for a formula to lower cholesterol. In a controlled study of a test group of people, cholesterol levels remained unchanged but the doctors were astounded to find that every nation who used the formula lost weight. The published report of this study stated, "A highly significant decrease in body weight was seen" in patients who received the formula.

The formula was then tested at another prestigious European university hospital. Again, all patients lost weight even though they did not change their eating habits. The report detailing this study, published in the British Journal of Nutrition, stated, "Body weight was significantly reduced even though the patients were specifically asked not to alter their dietary habits." One patient in this study lost more than 30 pounds.

According to one informed source, the active ingredient comes from a 100% natural botanical source and contains no drugs or stimulants. When taken before meals, it binds with the food you eat and "ties up" calories, especially those from fats, suppressing their absorption.

A significant portion of the calories ingested therefore pass through the digestive system unabsorbed. The body has to get energy to replace the lost calories, so it starts to burn stored fat, which can result in rapid body weight loss. Clinical testing has verified the safety of this formula for long-term use.

The formula is marketed in capsule form in the United States under the trade name, Cal-Ban 3000. A firm located in Tampa, Florida, has exclusive North American distribution rights. A review of the customer files of this company revealed the names of hundreds of people who have lost as much as 20, 40 or 80 or more pounds overall with Cal-Ban 3000. This appears to be a golden opportunity for people who are plagued by fat and cellulite that they can't seem to lose by conventional methods.

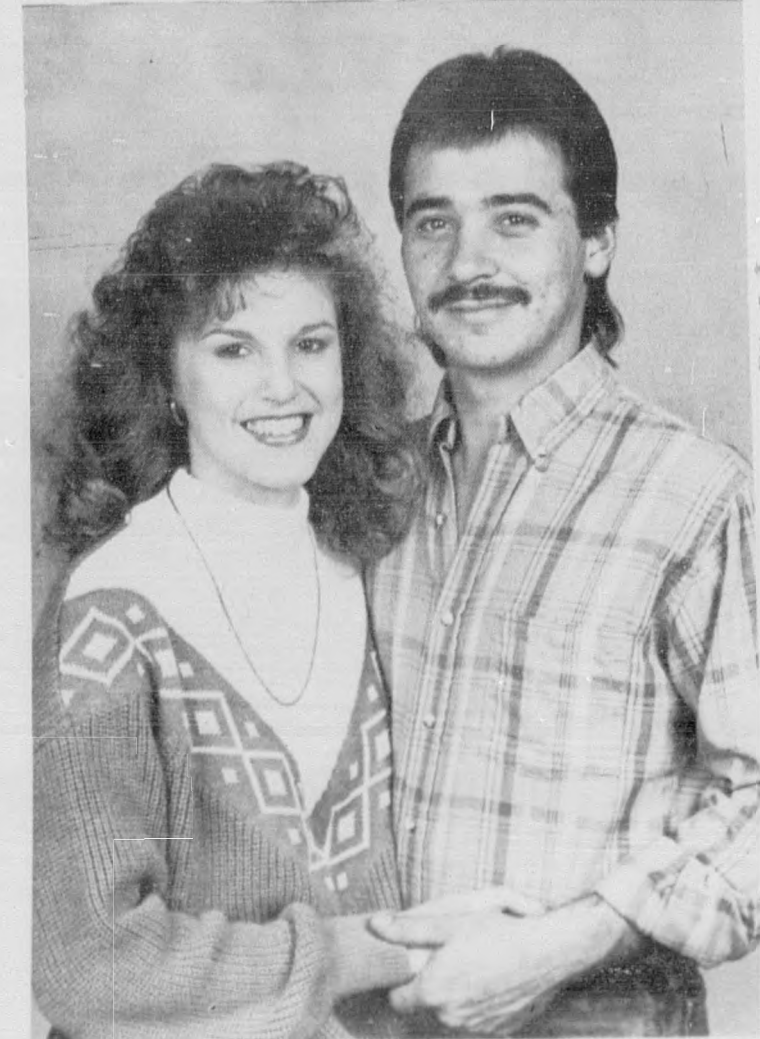

Cal-Ban 3000 is reasonably priced at \$19.95 for a 3-week supply and \$38.95 for a 6-week supply. Postage and handling is \$3.95. VISA, MC, AMEX and COD orders are accepted. To order call TOLL-FREE 1-800-537-3723 or purchase locally at Whitman Drug Co., 305 W. Davis, Elba, Ala.

Call today to begin the pleasant transformation from fat and flab to the slender firm body you want. If you fail to achieve a major weight loss you may return the empty bottle within 30 days for a 100% refund.

### Three In One Study Club Meets

The Three In One Study Club met for the October meeting in the sanctuary of the First Baptist Church, Mrs. Fleetwood Camley was hostess. Mrs. Paul Morrow assisted. Mrs. Paulene Allen welcomed all members and presented the visitors.

A short business meeting followed. Mrs. Fleetwood Camley introduced Mr. Martin Gray, guest artist. Mr. Gray gave a variety of organ selections including "Toccata in E Minor," by Pachelbel, "Wenn Mir in Rochester nothen sein," by Bach, and "Pastorale" by Langlais. Mr. Gray is Minister of Music at the First Baptist Church.

The group retired to the social hall where delicious refreshments were served by the hostesses.

The recital was well attended including members of other Study Clubs - Methodist and Baptist classes.

## PASTORS CORNER

REV. LARRY POWELL  
FIRST ASSEMBLY OF GOD

### WALK BEFORE YOU TALK!

"Monday morning quarterbacking" - that's the term we use for those who sit around on Monday morning and say what should or should not have been done during the game of the preceding weekend.

There is also a saying that goes like this: "Hindsight is better than foresight."

How true it is! If you had been the coach on the field when the pressures were mounting and the clock was ticking away, your decision may not have come as easily as it did sitting at home in your easy chair feeling no pressure.

How about the TV game show? Sometimes it may seem easy for you to answer the questions asked. But if you were there in the studio, if the pressure of winning was on you, if you were before the cameras, and if you knew you were being watched by millions of viewers, the answers may not have come so easily!

The same situation applies to your spiritual life. Many people want to condemn their fellowman for his actions, yet they do not really know what made him or her act or react the way they did.

You see, if you were in his shoes, if you were under the same pressures they are facing, and if you had the same home situation they have, you might understand their actions a little better.

In Job Chapter 16 and verses 4 and 5 we hear Job speaking out to those who have been troublesome to him during his time of trial and testing. He says, "But perhaps I'll sermonize the same as you - if I were 1 and I were you, I would spout off my criticisms against you and I would shake my head at you. But I would speak in such a way that it would help you, I would try to take away your grief." (TLB)

Friend, the next time someone acts or reacts in a manner you do not think is right, or someone speaks short to you, pray for them and be kind to them. You see, you may not know the pressure that individual is facing and you may not realize all the facts about his situation.

The evening is sponsored by the Arts Auxiliary of Coffee County. Tickets are \$50 VIP, \$25 reserved and \$10 general admission. Reserved ticket holders will be invited to a reception at Miss Mattie's.

Tickets may be purchased at Plain N. Fancy, David's West Gate Beauty Salon, Pure Imagination, Andrews Gift Shop, and the Jewel Box in Elba.

# Gamecocks exit 2A playoffs

BY GREG BRUNSON  
PHOTOS BY RONNY SHIVER

The Sweet Water Bulldogs took advantage of four New Brockton turnovers Friday night to post a hardfought 17-7 win over the Gamecocks in New Brockton.

On their first possession of the game, the Gamecocks moved to two first downs behind the rushing

New Brockton's Robert Kilow (22) heads upfield for a big gain during Friday night's loss to Sweet Water.

of Robert Kilow. The drive stalled, however, forcing a Matt Rodgers punt that sailed 45-yards, pinning the Bulldogs back at their own 15-yardline.

The Bulldogs, behind the running of Shaun Gamble, put together a 14-play drive that covered 85-yards and reached the Gamecock endzone.

Gamble got the touchdown on a 2-yard run with 3:18 to play in the first quarter and Ted Marshall added the conversion to give Sweet Water the lead at 7-0.

A fumbled exchange between Rodgers and Greg Sowell on the Gamecocks' first snap following the ensuing kick gave the football right back to the Bulldogs at the New Brockton 33-yardline and it looked bad for the home-standing Gamecocks. However, after a timeout talk by Coach Leavy Boutwell the New Brockton defense came out on fire.

Drexel Brown broke through on first down to trap Ken Atkins for a two-yard loss, while on second down Greg Sowell hit Ted Marshall for a five-yard loss. Third down provided a six-yard loss for Shaun Gamble as Robert Kilow led a host of Gamecock tacklers and the Bulldogs were forced to punt.

The two teams swapped punts on their next possessions, giving the ball back to Sweet Water at the New Brockton 38-yardline.

Ten plays got the Bulldogs down to the New Brockton 7-yardline and on fourth down from the four, Ted Marshall booted a 24-yard field-goal to extend the Sweet

Water lead to 10-0 with 3:19 left to go in the half.

New Brockton took the ensuing kickoff at its own 20-yardline and promptly marched to the Bulldog 19, with the key play in the drive being a 27-yard pass from Matt Rodgers to Rex Caldwell. Time was quickly running out on the Gamecocks; however, and on the final play of the half a halfback pass from Kilow was intercepted by Fred Malone to end the threat, and the first half of action.

As the second half opened the Bulldogs held the ball for 7:20 as they marched from their own 20-yardline to the Gamecock 3, using 15 plays. The Gamecock defense met the challenge and when a fourth down pass fell incomplete, the threat had ended!

Robert Kilow gained 42-yards on the Gamecocks first play following the defensive stand to get New Brockton out of the shadow of its goalpost and two completions and a facemask penalty moved the Gamecocks to the Sweet Water 10-yardline.

On second down and nine, Michael Watkins cut in front of William Moguel at the one-yardline to intercept a Matt Rodgers pass and another New Brockton scoring chance came away without any points.

The New Brockton defense held the Bulldogs in check and handed the ball over to the offense at the Sweet Water 43 following a short Bulldog punt.

On the sixth play of this possession, Robert Kilow got the Game-

cocks on the scoreboard with a beautiful 19-yard run up the middle and a sharp cut to the left. William Moguel added the p.a.t. to cut the lead to 10-7 with 7:05 still left in the game!

The sounds of New Brockton's exhilaration turned into a deafening silence on the ensuing kickoff; however, as Fred Malone scooped up the ball at the 5-yardline and sprinted 95-yards for a Bulldog touchdown. Marshall added the p.a.t. to end the scoring with Sweet Water on top 17-7.

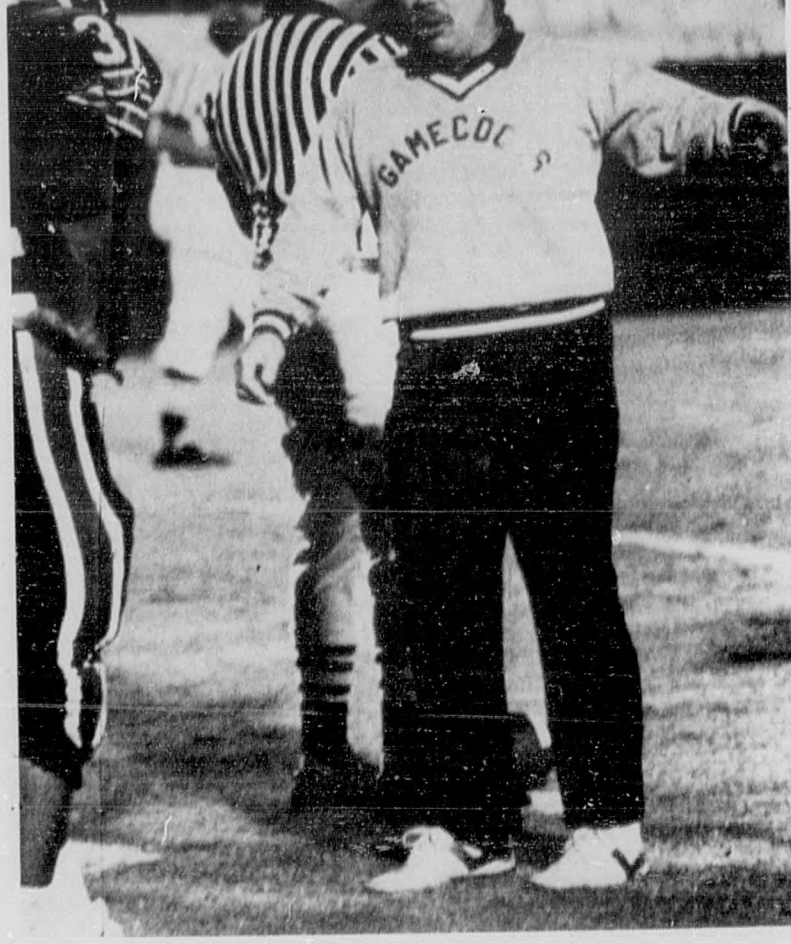

New Brockton drove the ball on their next possession to the Bulldogs 25-yardline, only to see a William Norwood interception halt the drive and the Gamecocks' chances.

Robert Kilow was the game's leading rusher with 156-yards on 21 carries, while Shaun Gamble led the Bulldogs with 107-yards on 29 totes.

The loss ended another excellent season for the Gamecocks as they finished with a 9-2 record, while Sweet Water advanced with the win for a third round showdown with Georgiana.

New Brockton's Coach Leavy Boutwell encourages his team during action in Friday night's loss to Sweet Water. The Gamecocks saw a late rally fall short as they fell to the visiting Bulldogs 17-7 and ended the season with a 9-2 record.

## Zion Chapel opens basketball season by claiming top prize in tipoff tourney

The Zion Chapel Rebels opened the 1989-90 basketball season with a bang last week as they rolled to three straight wins to claim the championship of the Pleasant Home Tip-Off Tournament, held at Pleasant Home High School.

The Rebels opened the tournament with a 67-65, double-overtime win over Pleasant Home, then defeated Flomaton 72-62 and Straughn 47-46 to take the tourna-

ment's top prize.

"It was a tremendous confidence builder for everyone involved. It was a tremendous confidence builder for everyone involved. It was a tremendous confidence builder for everyone involved."

"We needed for something good to happen early in the season and this is it. We've got eight seniors on this team and we could be a good team as the season went along, but to win the tournament was more

than we hoped for. It was just a tremendous thing for basketball at Zion Chapel High School."

"Despite the wins," stated Walker, "we have got to have to have the desire to win every time we hit the court. It takes confidence to go on the court thinking you are going to win and that has been missing. Maybe these wins will get us started toward building that confidence and pride that we've got to have to

win against the people on our schedule. The kids learned in the finals that we can't depend on one person to carry us. Saturday night our leading scorer got in foul trouble and had to sit out and the rest of the kids were able to pick up the slack. We've got a long way to go, but having three wins this early will help."

Zion Chapel will return to action Friday night when they travel to

Brantley to meet the highly-touted Brantley Bulldogs. Tipoff is set for 6:00 and 7:15.

Following are highlights of the Rebels' three tournament wins:

**ZION CHAPEL 67**  
**PL HOME 65**

Calvin Newson scored 10 points in the final stanza to spark a furious comeback and then added 10 points in overtime to lift the Zion Chapel to a heartstopping 67-65, double-overtime win over the Pleasant Home Eagles.

Pleasant Home controlled the tempo in the opening three quarters and owned a 38-33 lead going into the final stanza, only to see the Rebels rally behind the scoring of Calvin Newson and the defense of Jimmy Downing to catch the Eagles at 53-53 with 1:13 left on the clock.

Downing hit two key free-throws with :07 left in the first overtime to keep the Rebels alive and then watched as Newson took charge in the second extra period to lead the Rebels to the win.

Calvin Newson scored 30 points to lead Zion Chapel, while Stephen Cole added 15 and Jamie Downing added 11. Other scorers included Keith Moultry 3, Jimmy Downing 6 and Todd Rugg 2. Woods led Pleasant Home with 32 points.

Zion Chapel led all the way to dispose of the Flomaton Hurricanes 72-62.

The Rebels pulled ahead 15-10 by the end of the opening stanza and by intermission owned a commanding 33-22 lead. Zion Chapel's lead went to 56-38 in the third

quarter and ballooned to 22 points in the final stanza as the Rebs coasted to the win.

Calvin Newson scored 22 points and dished out 11 assists to lead the Rebels, while Stephen Cole added 16 points. Other scorers included Keith Moultry 8, Jamie Downing 4, Jimmy Downing 6, Todd Rugg 2, Tyrone Smith 8, Wallace Daniels 2, Jeffery Flowers 4 and Dynoris Smith 2. Dixon scored 20 for Flomaton.

**ZION CHAPEL 47**  
**STRAUGHN 46**

Freshman Tyrone Smith hit both ends of a one-and-one free-throw with :11 left in the game to lift Zion Chapel to an exciting 47-46 win over the Straughn Tigers.

Straughn controlled the tempo of the game throughout the contest and the tactics paid dividends as the slower Tigers were able to slow-down the speedy Rebels, only to see Tyrone Smith hit the clutch free-throws down the stretch to give the Rebs the win!

Stephen Cole scored 15 points to lead Zion Chapel, while Calvin Newson added 11. Other scorers included Jimmy Downing 7, Keith Moultry 3, Jimmy Downing 6 and Todd Rugg 2. Woods led Pleasant Home with 32 points.

Zion Chapel led all the way to dispose of the Flomaton Hurricanes 72-62.

The Rebels pulled ahead 15-10 by the end of the opening stanza and by intermission owned a commanding 33-22 lead. Zion Chapel's lead went to 56-38 in the third

## BASKETBALL SEASON BEGINS

By Jeffery Flowers

The Zion Chapel basketball team opened its season at the Pleasant Home tipoff tournament. The Rebel team is looking forward to a good season. The team has new warm-up jogging suits. The varsity warm-ups are black with red letters, and the B-team's are red with black letters. The tops are hooded sweaters with "Rebel Basketball" on them, and the pants have running Rebels on them. The team will wear their warm-ups to school on game nights.

## BRIEFS

### SENIORS VISIT TSU LIBRARY

By Pam Evans

In order for the senior class to prepare for their term papers Mrs. Sonya Shaw, twelfth-grade English teacher, took 28 seniors to the library at Troy State University. Ms. Debra Perry, Government teacher, assigned the topics for the term papers. The seniors chose one of the 41 presidents of the United States as the subject of their paper.

While at the library the students saw a film on how to use the reference section, card catalogs, and other library material. The students were each assigned five items to check prices, quantity, and various store brands. The trip took only two hours and the students were back to school before school was dismissed at 3.

### CONSUMER EDUCATION CLASS GOES SHOPPING

By Tobi Lowry

The Consumer Education Class, under Home Economics teacher, Joan Hobbs, paid a recent visit to Food World in Troy. The class, consisting of 13 students, was making price comparisons of various items. The students were each assigned five items to check prices, quantity, and various store brands. The trip took only two hours and the students were back to school before school was dismissed at 3.

### FBLA GETS MEMBERSHIP PINS

By Stacey Black

Members of the Future Business Leaders of America (FBLA) recently ordered membership items. Among the items chosen by members were FBLA gold-finisher pins which include the emblem, baseball style T-shirts and sweat shirts with the FBLA emblem, and a gold finished year guard (denotes year in office or year of graduation). The items are due back in six weeks.

### SENIORS TOUR TSU

By Jason McLeod

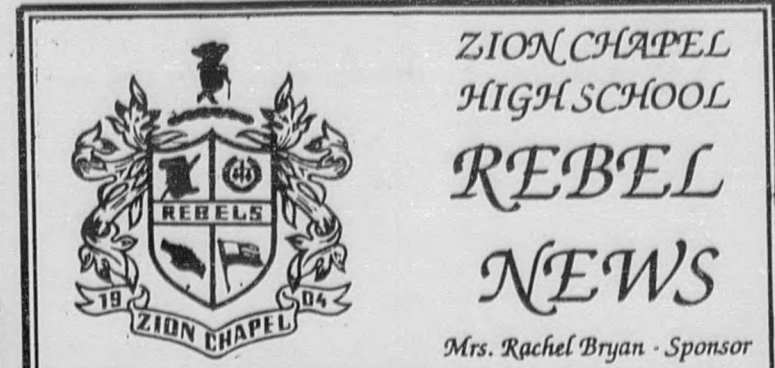

Two senior band members, Melissa Johnson and Ronda Prigden, attended the Troy State-Jacksonville State football game with free passes. Troy State invited all senior band members to attend the game free; Melissa and Ronda were the only ones from Zion Chapel to attend. Before the game some Troy State students took them on a tour of the campus. The students saw the Adams Center, Smith Hall, McCarthy Hall and McCall Hall. The two Z.C. students did not enter any of the buildings, but they had a good time on their tour of the campus.

### SIXTH GRADE VISITS FARLEY NUCLEAR PLANT

By Stephanie Goodson

Mrs. Shan Sessions and Mrs. Beth Danley's sixth-grade classes recently took a field trip to Farley Nuclear Plant in Dothan. While at the plant, the students saw a film strip about energy. They also played with the exciting computer games, ran on the tiring treadmill, and were able to shoot a simulated laser gun! The classes also took a bus tour of the plant to see its main points of interest. Students said their favorite parts of the field trip were the simulated laser gun and the bus tour of the plant.

After touring the plant, the students and their teachers loaded the school bus and went to a nearby park where they had lunch by the river. The last part of the day was a stop in Ozark to get ice cream. Mrs. Sessions said the students really enjoyed the adventurous day and were glad they were able to tour such a nice place.

## Junior Class News

By Wendy Chancellor

The junior class was the winner of an ice cream treat. They had the most members present at the homecoming pep rally and bonfire.

The juniors were allowed to miss any class of their choice, so they had a meeting to make their decision. They decided to miss fifth period, and some of them missed Mrs. Herbert's Algebra II class. Mrs. Bryan's American History class, and others missed being aides for Mrs. Bryan, Mrs. Grant, and Mrs. Ford.

## Coffee County Schools Menu

November 13 - November 17

### BREAKFAST

Monday - Pancakes, Syrup, Bacon, Cereal, Juice, Milk

Tuesday - Cheese Toast, Cereal, Juice, Milk

Wednesday - Donut, Cereal, Juice, Milk

Thursday - Cheese Grits, Toast, Jelly, Cereal, Juice, Milk

Friday - Scrambled Eggs, Toast, Jelly, Cereal, Juice, Milk

### LUNCH

Monday - Pizza Or Tuna W/ Crackers, Corn On Cob, Blackeye Peas, Choice of Fruit, Chocolate Cake, Milk

Tuesday - Taco Salad Or Hotdog, Buttered Corn, French Fries, Apple Half, Banana Pudding, Milk

Wednesday - Barbecue Chicken Or Steak Fingers, Scalloped Potatoes, String Beans, Roll, Choice of Fruit, Cookie, Milk

Thursday - Ham Sandwich Or Country Fried Steak, Mashed Potatoes W/Gravy, English Peas, Roll, Fruit Salad, Refresho Bar, Milk

Friday - Fish Krispie W/ Hashbrowns Or Peanut Butter Sandwich, Cole Slaw, Onion Rings, Macaroni/Cheese, Choice of Fruit, Milk

### BEAUTY PAGEANT SATURDAY NIGHT

The Zion Chapel yearbook staff will be sponsoring the 17th annual Campus Beauty Pageant Saturday night, Nov. 18, at 7 o'clock in the high school gymnasium. Admission will be \$2 for everyone.

### Zion Chapel 4-H Report

The sixth grade girls of Zion Chapel held their regular 4-H meeting November 2, 1989.

Mrs. Hughes, our extension agent, discussed "Record Your Doings", which is keeping a good record book. She also discussed other activities.

Then our meeting was adjourned.

CELESTE RICHARDS  
Zion Chapel 4-H Reporter

Denise Flowers, Aimee Routzong, Jason McLeod, and Pam Evans (L-R) are working on layout for their journalism class.

## ANNUAL STAFF STUDIES LAYOUT AND DESIGN

By Camille Haynes

The Zion Chapel annual staff prepared for designing the Rebel 90 yearbook by drawing layout and learning fundamental layout design rules. They began by learning about layouts and their functions, about elements of design that include photos, captions, headlines, copy block, white space, gutter, and graphics, about ways to unify a spread, the correct way to design a layout, and the common mistakes that are made while designing a layout.

The eight steps toward a better layout are essential in designing a layout. The first step is that every spread must have a dominant photo. The second step is that the layout must be designed from the center outward. Keeping all elements a consistent distance apart is the third step. The next step is that photos should be a variety of sizes and shapes, but all with square corners. Defining each outside margin and blending with care is the fifth step. Designing a minimum of lines on the inside and a variety of lines on the outside is next; the seventh step is keeping the type in the corners and along the edges. Controlling the white space is the last step.

Deciding which type of layout is best for you was another process of designing which the class learned. The six types of layouts are three-column, dominant photo, focal point, modular, hanging from a line, and sidebar.

The annual staff learned many new things about layout design which will be shown in the Rebel 90 yearbook.

### FOURTH GRADE TAKES FIELD TRIP

By Stephen Berry

Mrs. Chris Surley and Mrs. Joanne Jones' fourth grade classes went on a field trip to Elba as part of the Social Studies class. They are studying Alabama History. They first went to the courthouse and were given a tour by Probate Judge Marion Brunson. He told them about all the pictures in the courthouse, and took them up to the courtroom where the children played court. After they toured the courthouse they went to the Elba General Hospital and were given a tour by the director of nurses. While there the kids had their hands X-rayed and their hearts monitored and blood pressure checked. They were also served refreshments. They went to the nursing home and were shown arts and crafts prepared by the nursing home residents. They then went to the bank and were shown a \$10,000 bill and a \$1,000 dollar bill. Bills of this denomination are no longer in circulation. They also went inside the vault. The group ate lunch at Hardee's and returned to school. The trip lasted all day. They left at 8:30 and returned at 2:30.

# The Changing Look of Cataract Surgery

## Early Large-Incision Surgery

- 10-12mm Incision
- Outpatient Procedure
- Often return home with restrictions on activities:
  - No Lifting
  - No Bending
- Multiple Sutures
- Visual Recuperation Approximately 2-6 Months

## Today's Single Stitch Surgery

- 4mm Incision
- Outpatient Procedure
- Often return home and resume normal activities same day as surgery:
  - Few Restrictions
- One Suture
- Visual Recuperation Approximately 2-3 Weeks
- Less Trauma to Eye

For More Information, Contact:

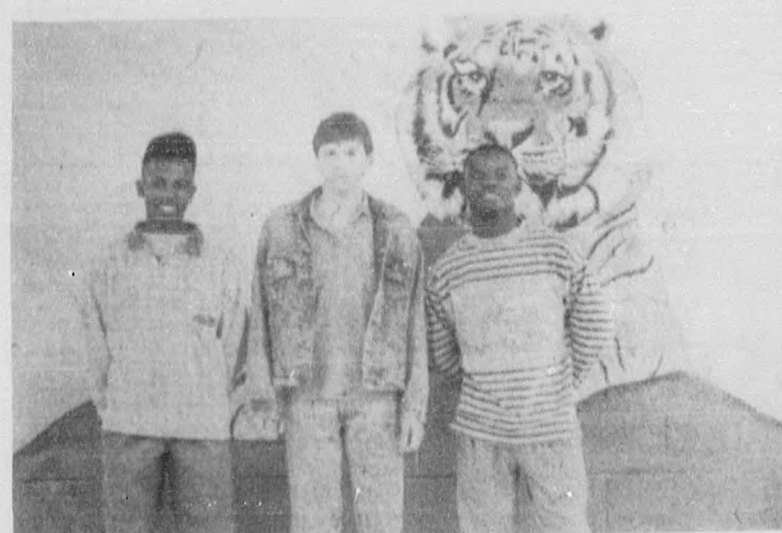

## EYE CENTER SOUTH

## Thomason Carpets

AS ALWAYS HERE

## SENIORS OF THE WEEK

By: Regina Free and Damon Jones  
**Willie Antonio Flowers** - (Chubb) - Willie is the 18-year-old son of Louise Jackson. He attends Shady Grove A. M. E. Willie is a member of the Yearbook staff, paper staff, band, vice president, Student Council, Who's Who Among Americans High School Students, and plays baseball. His most memorable time is traveling with EHS band and playing baseball for two seasons under Rick Rainer. After graduation he plans to pursue a journalism career.  
**Mike Booth** - Mike is the 17-year-old son of Roger and Pat Booth. Mike is a member of VICA. His future plans are to enroll in the Air Force ROTC at Troy State.  
**Carlos Magwood** - Carlos is the son of Rosa Mae Magwood. He attends Elba Zion Missionary Baptist Church. Carlos is on the yearbook and paper staff, in the EHS band, Alabama Army National Guard, and Elba Zion Jr. Choir. Carlos plans to attend Troy State where he wants to study Computer Science and Information, and someday explore foreign lands such as Africa and Australia.

## CO-OP SPOTLIGHT

By: Mona Kelley  
 Amy Osborn is this week's CO-OP Spotlight. She works at Dorsey Trailers in the Personnel Department. Amy types, files, does absence reports, and other various jobs. She works for Mark Holt and Peggy Stroud. Amy says that she is thankful for her job because it gives her experience that it gives her.

## Jay Who?

Willie A. Flowers

(Elba High School) - I guess we have all seen the television commercial where this former NFL center sheds light on the fact that he is not recognized in a crowd until he is in his crouched over football stance. This doesn't necessarily mean that centers aren't popular people, it just tells us that they are over shadowed by other more active offense players. Simply, because, if you think about it the only time you see the guy is when he leaves the huddle. I don't think the actual importance of a center is stressed highly enough because he plays a very important part of the game. Just to name a few: (1) It is up to the center to snap the ball on time so the play can begin, (2) he has to know the plays thoroughly, (3) he has to protect the quarterback after the snap from this huge lineman who only wants to do one thing and that is to sack the quarterback, (4) he is in on a majority of the offensive plays.  
 Now that everyone is familiar with our hometown center and the importance of his position he should be more noticeable to you in the future. You should also understand that the offense which is popularized by running 90% of the touchdowns is not the player who stunts the play, but the center.

## BAND SPOTLIGHT

By: Quiss Jones  
**Linda Hodge** - is the 13-year-old daughter of Mr. and Mrs. Randall Hodge. She is an 8th grade member of the Marching Tiger band. She has been in the band program for 4 years, and the Marching Tiger Band for 2 years, marching the trombone. Linda is also a member of Jr. Beta Club, Chi Alpha Mu, FHA, and Newbia Baptist Church. Good luck Linda!  
**Misty Boland** - is the 14-year-old daughter of Jearl and Bertie Boland. She is a 9th grade member of the Marching Tiger Band. She has been in the band program for 4 years and the Marching Tiger Band for 2 years, marching the clarinet. Misty is also a member of the Spanish Club and Basin Baptist Church. Best wishes Misty!  
**DeAnn Miller** - is the 13-year-old daughter of Marshall and Laouda Miller. She is an 8th grade member of the Marching Tiger Band. She has been in the band program for 4 years, and the Marching Tiger Band for 2 years marching the Drum Line. DeAnn is also a member of Chi Alpha Mu, FHA and the First Assembly of God. Best of luck to you DeAnn!

## Study Skills Program Presented

By: Carlos Magwood  
 Robin Wyatt with the Enterprise State Junior College presented a "Study Skills Program" to the 9th grade students on October 27.  
 The program was presented in Mrs. Killingsworth room. Mr. Canley, Mrs. Killingsworth were present for the program.  
 The program was really worth the time of the students.  
 Here are some responses from some of the students:  
 "The instructor was very helpful, wise and funny; this will really help me in my studies; it was a good program, it helped me a lot; I've been having a problem in Biology with note taking, I hope your tips work; and I really needed this, I finally see my troubled areas."

## FBLA OFFICERS ELECTED

By: Kevin Matthews  
 Just recently, the FBLA Club at Elba High School elected the following officers for the 1989-90 school year: President - Kevin Matthews, vice president - Mona Kelley, secretary - Karen Ellis, treasurer - Tonya Bryan, reporter - Kevin Matthews, Parliamentarian - Charla Pearce, and sponsors - Mrs. Ingrid Clark and Mrs. Marsha Martin.

 Wednesday - Fried Chicken, Rice, Gravy, Garden Peas, Dessert, Rolls, Milk  
 THANKSGIVING

## "The First Time"

By: Chad Tindol  
 When you're in high school, a few years, even one year can make all of the difference in the world. Recently, as far as the seniors are concerned, some ancient relics were found in Mrs. Judy Killingsworth's room: papers that they wrote in 9th grade. The papers were all on the topic of "The First Time"...that something happened.  
 The papers ranged from Ayanza Smith's on the day she and Quiss Jones got 15 likes in 45 minutes in Mr. Hammond's room to "My First Girlfriend" by Audi Fudge, the met her in karate class. Mona Kelley told about "Her First Best Friend" - Rob Hudson and

Bridgett Rodger's was on "The Day In The First Grade" that she got a p-d-dling from Mrs. Hayes for laughing at Stacy Ward who had just got one.  
 Other interesting topics covered were - "First Time Sneaking Out" by Melany Byrd (it was with Kirby Lawford), Katie Rusting's article dealt with the "First Time She Got Into Trouble" (first grade). She still blames it on Joe Brooks and Mona Kelley.  
 It would be great to list the topics that everyone of these papers covered, but unfortunately we can't. Maybe these have provided enough embarrassment for a little while, though.

**Drainage Project** - Mayor Fred Moore, Bobby Lee, Project Engineer; Henry Wright, Project Foreman; Roger Daughtry, Asst. Project Foreman; and James Simmons, Street Department, are shown studying plan as work begins on the drainage project in the Middle School area.

**Drainage** - Henry Wright supervises laying of drain pipe.

## Elba City Depts. Busy With Ongoing Projects

**Emergency Generator** - Police Chief Hanchey is pictured by an electrical power generator recently installed in the police station. The generator will provide emergency power to the radio and telephone systems in the event of a power failure.

**Painting** - Billy Weeks, City Mechanic, is shown with a city department pick-up truck that he painted. The painting was done at a considerable cost savings to the City of Elba, not only in money, but also in minimum down time.

**Curbing** - Drainage and curbing on Ann Street off Reese Avenue is nearing completion.

# ROUND AND ABOUT WITH ERIA 897-2006

The heart of her husband doth  
safety trust in her, so that she shall  
have no need of spoli.

She will do him good and not  
evil all the days of her life.

She seeketh wool, and flax,  
and worketh willingly with her hands.

She is like the merchants'  
ships; she bringeth her food from afar.

She riseth also while it is yet  
night, and giveth meat to her  
household, and a portion to her  
maidens.

She considereth a field, and  
buyeth it with fruit of her hands;  
she planteth a vineyard.

Proverbs 31: 10 - 16 vs.

\*\*\*Thinking of you, praying for  
you: Corine B. Wilkerson, Fannie  
Brooks, Dr. Mrs. W. M. Kingsford,  
ReNita Brooks, Buford Kelley,  
Dorothy Hill and family, the Ham-  
ilton family, Princell Kelley, Pear-  
lie Tills, Johnnie Yelverton.

\*\*\*An Appreciation Program for  
Rev. J. R. Parks and family will be  
held December 17, at 2:30 p. m. at  
Mt. Calvary Baptist Church, Rt. 4,  
Elba, Alabama.

\*\*\*Rev. Ben Matthews, pastor of  
Rockanne Baptist Church, Rut-  
ledge, AL, St. St. Mark Baptist  
Church, Glenwood, AL, and Beulah  
Baptist Church, Montgomery,  
AL, will be the guest speaker.

\*\*\*A 7-Shape Singing Convention,  
Union #2, Mulberry District, will  
be held November 19 at 1:00 p. m.  
at the Springfield Baptist Church,  
Rev. Murry Powell, pastor.

be held November 19, at the  
Springfield Baptist Church, New  
Brookton, Alabama, Rev. Murry  
Powell, pastor.

\*\*\*An old Negro prayed. Lord,  
help me to understand that you ain't  
going to let nothing come my way  
that you and me can't handle to-  
gether.

Selected  
Seniors Church will be held Novem-  
ber 19, at 2:00 p. m. at Pea River  
Missionary Baptist Church, Hwy.  
51 North, New Brookton, Alabama.  
Rev. Henry Shy, pastor. Theme:  
Worthy is my name. Praise ye the  
Lord for it is good in sight brings  
unto God.

Psalm 147: 11

\*\*\*How many people know that  
Ambrosia Caliver, (1894 - 1962)  
was the first Black Dean at First  
University in 1927 was considered  
a force in making the "N" in the  
word "Negro" a capital letter.  
Farmers Blacks, Past and  
Present

\*\*\*Daniel Hale Williams - 1856 -  
1931 performed the world's first  
successful open heart surgery in  
1893. Founded Provident Hospital  
in Chicago in 1891, the first Ameri-  
can hospital operated by Blacks.

\*\*\*I was there! Where? At the  
Singing Convention Building  
(Southeast District), Sunday night,  
November 12, 1989, Double Cross-  
road/Brookville, Elba, Alabama).

The occasion: A youth program  
with young people from churches  
in Coffee and Covington counties  
witnessing for Jesus Christ.

They spoke before a large crowd  
of family and friends. It was a mov-  
ing, spiritual and gratifying expe-  
rience for those that attended.

The witnessing, songs, and  
prayers by the "young folk" were  
sincere (I believe) because every-  
thing was from the heart.

The theme: "Challenged To  
Stand Firm and Peer-Pressure"  
were the main topics.

They spoke on drugs and drug  
abuse. They found that after trying  
these viles for satisfaction for prob-  
lems, that they were not satisfied at  
all. And the struggle to go on  
oneselves or came to their senses and  
asked God for help in breaking the  
habits, and help from family and  
friends for support, they got the  
right road. Realization for them  
was "I've got to put Christ first in  
my life, problems will still come  
from all sides but God will be right  
by my side. And the struggle to go  
on but stand firm in the faith, Christ  
is the answer to our problems.

These "young folk" should be  
commended for a job well done.

Those participating on the pro-  
gram: Rocky Head Jr. Choir, Oak  
Grove Jr. Choir, Pine Grove Jr.  
Choir, Crystal Party, Jackie  
Stoudin, Rodrick, and Wiley  
Brooks, Rideaux, Ministers present  
- Rev. J. C. Rodgers, Rev. Rose  
Peters, Rev. Teddy Hill, Rev. J.  
P. Rodgers, Rev. Johnnie Law-  
rence, offering - Bobby Brooks,  
Patrick Jones, and Ernest Brooks.

This program was directed and  
spread by Mrs. Sara Frances  
Stoudin.

God bless you Sara and keep  
you in His care. Love ya'll!

## Berry's Announce

## Birth Of Baby Girl

Levell and Sandra Berry would like to announce the birth of their daughter, Stephanie LeAnn, on October 31, 1989.

She weighed 7 lbs. and 4 ozs.

She is the granddaughter of Wayne and Shirley Berry of Elba, and Silas and Mary Simmons of Victoria.

Stephanie LeAnn Berry

## Seniors Of Cordelia Street Meet

By: Wanda Sasser

It was an no ordinary day when the Senior Citizens of Cordelia Street met for their weekly meeting on November 9.

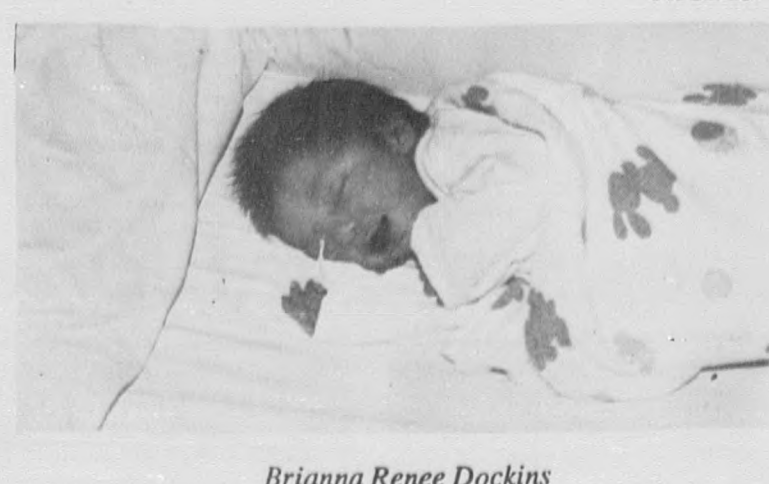

Some of the Seniors met at the center on Simmons Street at the HRDC Center and we went on a SEATS bus to the home of Lennie and Frank McCollough at Victoria to celebrate Lennie's birthday.

It was a beautiful day and was all enjoyed being at their home once again. Several of the members

walked around and we went out and looked at the new Victoria Church being constructed near their home. We also sat on the porch and visited.

A delicious birthday lunch was served to the following:

Frank and Lennie McCollough, Myrl Burkett, Helen McCahan, Mattie Lou Goodson, Iris McDowell, Zeddie Bouyer, Minnie Davis, Jenny Hussey, Frances Shaboo, Christine Baker (Lennie's daughter), Ailene Sheets (Lennie's daughter), M. Boling and Wanda Sasser.

Brianna Renee Dockins

## Dockin's Announce New Arrival

BRIANNA RENEE DOCKINS  
Brandi Nicole Dockins announce

the arrival of her little sister, Brianna Renee on Sept. 15, 1989, at the University of Tennessee Hospital. She weighed 6 lbs. 10 ozs. and was 18-1/2 inches long.

Parents are Brian and Stacey (Carpenter) Dockins.

Grandparents are Sandra Carpenter, Panama City, Fla.; Ben and Peggy Carpenter, Elba; Marvin and Fay Duncanson, Knoxville, Tenn.; and Dan Dockins, Knoxville.

Great-grandparents are Dal Carpenter and the late Fred Carpenter of Elba; Conway and Corrine Lowry, Elba; and Charlie and Ruth Thompson, Knoxville, Tenn.

Tura Mae Carroll

## Tura Mae Carroll Is 91 Years Young

Tura Mae Carroll was surprised with a covered dish dinner at the home of Mr. and Mrs. William D. Lee on her birthday, which was October 28.

She was 91 years young.

Brine Michele Nelson

## Brine Michele Nelson Celebrates First Birthday

On Sunday, October 22, 1989, Brine Michele Nelson, daughter of Wayne and Lisa Nelson turned one year old.

She celebrated the day with special friends and family at her home. The cake and decorations featured teddy bears and balloons in the colors of the rainbow.

Family members celebrating were: grandparents, Berlin Dyess and Brine Smith, a great grandparent, Willard and Katie Smith, aunt and uncle, Mike and Cyndi Lewis, and cousins, Amanda and Kayla Fish.

Friends joining the party were: Dan Heath, Wendy Chappell, Michael and Paula Adcock, Jamie and Andrea Hudson, Ronnie, Vickie, Wendy and Valerie Green, and Danny and Shirley Belcher.

MAYOR FRED MOORE PROCLAIMS NOV. 26TH - DEC. 2ND NATIONAL HEALTH CARE WEEK... Joining the Mayor as he signs the Proclamation are Pat Malkoff, Nursing Supervisor; and Fay Smith, Personal Care Co-ordinator; Both ladies are with the Coffee County Health Department.

## Healthcare Information

The Alabama Hospital Association and the Alabama Health Campaign want you to know some important information should you need to go to a hospital emergency room.

Hospitals are required by law to screen all persons who enter their emergency rooms to determine if a medical emergency exists, or if the person is in active labor. This must be done before a patient can be considered for transfer to another hospital.

You should also know that the hospital emergency rooms are there for true medical emergencies. Routine treatments should be handled by your physician or local health department.

If you should ever have questions concerning hospital emergency services, call your local hospital.

For more information contact the Alabama Hospital Association, Public Relations at 272-4781.

STOLEN CAR RECOVERED... New Brockton Police found a 1966 blue Chevrolet Caprice abandoned in a clay pit in their city Thursday. The tires and wheels had been removed from the vehicle. After entering the vehicle identification number into NCIC, it was discovered that the car had been reported stolen in Elba on Saturday, November 11. Shortly after being notified of the discovery, Elba Police arrested William Earl Hardy, age 23, of New Brockton and charged him with theft of property-1st degree. All property was recovered.

## Home health care is at work in the Elba area

Pictured... Onnie Daniels, Personal Care Aid with the Coffee County Health Department, is shown administering care to Daniel Campbell of Elba.

cines, diets, and changing dressings.

The home health care nurse also works with the Margaret Mary Hospice Organization for the terminally ill patient.

Home health care continues to grow and help minimize the cost of medical services to the patient and to avoid unnecessary hospital stays. As Medicare has shortened their hospital stays, this type of care is becoming more and more important. It helps the patient to become independent and allows the family to learn how to care for him or her.

There is evidence that home care helps to promote a full and faster recovery time for the patient and also is proving to be cost effective. Home health care is available 24 hours a day - 365 days a year. Call your Coffee County Health Department for more information concerning this program. The phone numbers are: 897-2523 in Elba and 347-9574 in Enterprise.

## Driving directions to Vernon, Al

Elba folks driving to Vernon Friday for the Elba-Lamar County football game might want to check a road map and with people who are familiar with the highways in the area.

Vernon is a community of slightly over 2600 people. This newspaper has had telephone contact with school officials and community business people. All have been very cooperative and offered any help they could give to the fans traveling to the ballgame Friday night.

This newspaper has received advice from residents of the area on some roads being better than others.

The first recommendation we give is from the "natives". They tell us that after getting to Tuscaloosa, they would take Highway 82 West to Gordo and turn North (right) on Highway 17. There is a four mile "dogleg" using this route, but area residents warn against using the road that eliminates this short misdirection.

Highway 17 goes right through Vernon. Motorists can get to the stadium very easily, according to area residents. If coming into town on Highway 17 from the South, turn left on Highway 18 at the first traffic signal (right at the school). Drive two or three blocks (past a small shopping area) and turn right (turning left gets you to the hospital). The stadium is "just up the hill".

Others have suggested a different route out of Tuscaloosa, going through Fayette. This is taking U.S. 43 North to Fayette and then traveling Highway 18 to Vernon. Taking this route, you would not turn at that traffic light, but would continue on past the shopping center and take the right turn to the stadium. The choice is yours.

## ELBA TIGERS BE PROUD

RETURN OF THE TIGER PAW... Charlie Johnson, a longtime employee with the City Street Department, gives Elba Mayor, Fred Moore, pointers on painting "the paw". Refreshing the tiger tracks was being done in preparation for the arrival of the Luverne Tigers.

Ya'll be sure to drive Carefully - You hear me

## INSPECTION VERIFIES SAFE CONDITIONS Drivers question safety of Elba school buses

The Elba City School Board held a "hot potato" last week when a group of school bus drivers presented the board with a typewritten statement charging, among other things, that the school buses were unsafe.

Superintendent Lamar Foley called state officials the following day and a special safety inspection was conducted on all buses within the next few days. All passed, with the only problems being lights out on spare buses and these items are on the check list for bus drivers before leaving the bus lot.

This newspaper reviewed the official report of the inspection and found no problems except some clearance lights not burning.

A two page, single spaced statement given to board members at the meeting complained that the drivers had tried to talk with Mr. Lamar Wilson, who is in charge of school student transportation for the Elba school system, about safety measures in school traffic, that is, loading and unloading places, traffic problems on the school grounds, substitute drivers, and maintenance of the buses. They also wrote and stated to the board that "Wilson says that if we don't like the way he runs things to resign."

The statement in its entirety is reprinted here.

Before you to make known our grievances, concerning bus drivers in the Elba City School system. Each of us, at one time or another, have tried to talk with Mr. Wilson about safety measures in school traffic, that is, loading and unloading places, traffic problems on the school grounds, substitute drivers, and for all bus drivers. Mr. Wilson says that if we don't like the way he runs things to resign. He cannot hear us reaching out to him; but, rather develops an attitude to hardline us, instead.

There seems to be no resolution to the bus drivers' problems. When we were hired, Mr. Wilson briefed us pertinent to bus drivers requirements. We were told that we were expected to drive on out of town trips as well as on assigned bus routes. Until last year substitute drivers did not, normally, drive for out of town trips.

We do not think it's fair to show partiality or favoritism among bus drivers. For instance, one bus driver made only 6 out of town trips last year; where as, on substitute driver made more out of town trips than that, and the rest of us did, also.

We do not think it's fair for substitute drivers to drive on out of town trips, when bus drivers are available, all contracts for school personnel are, basically, the same. Teachers do not have substitutes when the teacher are available. Lunch room workers do not have substitutes for extra cooking or serving when the regular personnel are available. Men bus drivers, who drive to football games, do not

have substitute drivers when these men are available. Women bus drivers do not always drive on out of town trips; when these women bus drivers are available. The buses, assigned to these women to drive on school bus routes, are being re-assigned to substitutes, or Mr. Wilson, to drive on out of town trips. We invite your attention to the trip sheets and check stubs to support these facts.

Now, Mr. Wilson says that we have to get his (Mr. Wilson's) permission to talk to Mr. Foley. Later, Mr. Foley did override that order. When we requested an audience for four bus drivers to discuss some prevalent problems, Mr. Foley called a group meeting last May and told these present that if we did not like the way Mr. Wilson was running things to resign. We do not think that his remarks were fair or rational to bus drivers with tenure. He did tell us to put our complaints in writing and give them to him. We have done that.

Bus repair is not prompt upon notification for the older buses. Examination of monthly driver's reports will verify this statement. When stand-in buses are used on bus routes in place of new buses, they are not up to par for safe operation and handling as prescribed by state law. Bus No. 2 has steering problems and is underpowered for impending schedules. We know that a \$250.00 tire can stand still until it is flat sided, but the steering problems are not all just flat sided tires. A test drive will support this claim.

We have the lives and safety of students at our hand. We would like to propose that we have a definite place to contact Mr. Wilson by telephone from the time the bus routes begin until the time all bus routes end.

It is our request that this school board assure us that there will be no intimidation or repercussions later due to our presentation of these grievances. We do not want our jobs to be threatened or told to resign; in as much as, we are tenured bus drivers.

The statement was signed by Doris Mallory, Dixie Davis, Mavis Burch, Vera Nell Bragg and L. C. Cook.

One of the signers, L. C. Cook, said his only concern was the safety conditions on the school grounds. The drivers told the board members they had also met with Mr. Foley on the matter but didn't feel they were getting any results.

After about an hour of discussion the board members pointed out to the drivers that they had delivered some very serious charges against the system, challenging the everyday safety of the children in school. They pointed out that none of the board members were bus mechanics and relied on the man (Wilson) and Superintendent Foley to keep things running prop-

erly. However they acknowledged that such strong charges couldn't be ignored and would be looked into.

Concerning the complaint that some drivers were not being given their fair share of trips, it was suggested by board members that a roster be set up and that ALL TRIPS be assigned from that list. If a driver turned down a trip, their name would go to the bottom of the list.

The female drivers in the group pointed out that some athletic trips were better suited for male drivers. Board members expressed the opinion that if a roster was used, there should be no exceptions and every trip assigned from the roster. This was to be worked out within the system and a report made back to the board.

Safety on the school grounds covered several areas, but mainly they centered around the tight traffic in the mornings and afternoons when the automobiles are mixed in with the buses loading and unloading students. The drivers asked that this be changed.

Foley acknowledged there had been some problems but it was awful hard to make permanent corrections.

In other action the board members approved a set of plans to build a handicap ramp at the front of the Elba High School building. The only cost to the school board will be the price of the materials. Labor will be furnished.

Foley gave a report on the results of the Alabama High School Graduation Examination and stated he was well pleased with the number of students passing.

Foley also told board members of the number of computers in the schools and how they were being utilized.

The next meeting of the board will be on December 7.

## NOTICE

According to Probate Judge Marion Brunson, the Coffee County Courthouses in Elba and Enterprise will be closed Thursday, November 23rd and Friday, November 24th in observance of Thanksgiving.

\*\*\*\*\* ALSO \*\*\*\*\*

Elba City Hall will be closed Thursday, November 23rd and Friday, November 24th.

New Brockton City Hall will be closed Wednesday, November 22nd, Thursday, November 23rd and Friday, November 24th.
